

VME BPM - Bug #9359

Reading garbage from I:BEAM

07/02/2015 02:21 PM - John Diamond

Status:	Closed	Start date:	07/02/2015
Priority:	Normal	Due date:	
Assignee:	John Diamond	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.50 hour
Description			
We seem to be reading garbage from I:BEAM at the beginning of spill with no errors reported by the acnet call.			

History

#1 - 07/02/2015 02:40 PM - John Diamond

- Status changed from New to Resolved

The structure that we read I:BEAM into needed a packed attribute.

#2 - 07/02/2015 04:06 PM - John Diamond

- Status changed from Resolved to Closed
